

Foundations '02 Proceedings (CD) Order Form

**V&V State of the Art: Proceedings of Foundations '02,
a Workshop on Model and Simulation Verification and Validation for the 21st Century**

Dale K. Pace, Editor
October 2002 (CD, \$30)

The Foundations '02 proceedings includes all papers, presentations, discussion synopses, and more from this important workshop designed to articulate the state of V&V art for M&S and to produce a coherent and comprehensive description of research needed to advance V&V. It also includes an extensive up-to-date V&V bibliography.
